The Basic RiderCourse (BRC) is designed with new riders in mind. No previous motorcycle riding experience is required for our BRC – just bring a good attitude and a willingness to try something new! If you can balance and ride a bicycle, you can probably become a safe motorcyclist. Our course includes both classroom and riding instruction, with personalized coaching and many hours of practice riding. You provide your safety gear (eye protection, long sleeves, long pants, full-fingered gloves, over-the-ankle footwear, and a DOT-approved helmet); we provide the motorcycles, food, and FUN! You must be present for all sixteen hours of discussion and riding exercises. By successfully completing the BRC, you will earn your motorcycle endorsement and will be eligible for discounts and incentives from insurers, motorcycle manufacturers, dealerships, and riding clubs with your MSF completion card.

If you're at least 18 years old and you want to earn your endorsement through our BRC, you must have a valid motorcycle instruction permit which is current or expired less than one year prior to beginning the course. Minors can satisfy the motorcycle safety course requirement by completing this course.

RSRS's cancellation and refund policy: If we cancel your course, you will receive a full refund. If you cancel your course and give us at least two weeks notice, we will give you a full refund minus a \$10 cancellation fee. We'll waive this fee if you reschedule instead of canceling.

To reserve your spot, mail this completed registration form along with a check or money order for the appropriate fee to:
